"Jenny Lind Chapel", Visitor's Guide ($10)

This 15-minute video, prepared by Erwin Weber and narrated by Kai Swanson, tells a moving story of the Chapel by means of colored slides, period photographs, paintings and documents. It follows the immigrants on their long journey in 1849 from their homeland in northern Sweden to the rugged frontier plains in northwestern Illinois.

"Jenny Lind Chapel", Historic Site ($20)

This 50-minute video, also prepared by Erwin Weber, provides a more detailed account of the history of the Chapel. The host and narrator is Dr. Conrad Bergendoff who was the fifth president of Augustana College (1935-1962). Other narrators include Albert Lestor, Hortence Lindorff, Harry Nelson and Kai Swanson.

For both videos, Dr. Tom Robin Harris and Janina Ehrlich, members of the Augustana College music department, and Jeff Cohen, a former concert artist at the college, composed the background music. Traditional Swedish hymns are played on the organ in Jenny Lind Chapel by Hortence Lindorff.

These two videos are now available in DVD format and may be purchased at the chapel museum for $10 and $20, respectively.
