

NOMINATION FOR MEMBERSHIP

Through a Sigma Xi Chapter

Type of Membership

Membership in Sigma Xi is by nomination and is conferred in one of two ways, full and associate. Please indicate on the nomination form whether it is for full, associate or promotion to full.

Full Membership is conferred upon any individual who has shown noteworthy achievement as an original investigator in a field of pure or applied science or engineering. This noteworthy achievement must be evidenced by publication as the primary author (defined in the manner appropriate to the discipline) on at least two different articles published in a refereed journal, patents, or refereed monographs. Dissertations and theses alone are not considered sufficient for demonstration of this achievement and must be accompanied by at least two other publications. Please see the appropriate sections of the Constitution and Bylaws for additional information.

Only Full Members may nominate other candidates to the Society or vote in the annual Assembly of Delegates. In addition, only Full Members are eligible to serve on Sigma Xi committees or take office on the Board of Directors.

For nomination to Full Membership, either attach a CV, a résumé, or provide a separate attachment with the following information:

- Education: Institution(s), date(s), degree(s)
- Professional Positions: Institution(s), date(s), position title(s)
- Publications: Titles, authors, dates, source(s) (journal name, thesis, etc.)

Associate Membership is available to any individual who has, through initial research achievement in a field of pure or applied science, shown an aptitude for research, as evidenced by independent investigation ordinarily resulting in a written report. Associate membership is offered to encourage young investigators with promise to continue careers in research.

For nomination to Associate Membership, attach a brief statement regarding the nominee's involvement in research and potential research aptitude.

Promotion to Full Membership is conferred upon any individual who, previously elected as an Associate Member, now satisfies the Full Membership qualifications. Promotion review will follow the same procedure as elections. Please see the Full Membership qualifications above.

For promotion to Full Membership, either attach a CV, a résumé, or provide a separate attachment with the information listed under Full Membership above.

Nominators

Each nominator must be a Full or Associate Member of Sigma Xi. Nominations through a chapter should be presented to any officer of the selected chapter. If the form is submitted with one nominator, the chapter will provide a second nominator. *If no nominators are provided, the chapter will provide both a first and second nominator.* The chapter will contact the nominee if additional information is needed.
